

NEW CORONAVIRUS - 10 TIPS TO FOLLOW
These are the official tips of the Italian
Ministry of Health:

1. Wash your hands often.
2. Avoid to get close to people affected by acute respiratory infections.
3. Don't touch your eyes, nose, and mouth with your hands.
4. If you sneeze or cough, cover your mouth and nose.
5. Don't take antiviral or antibiotic drugs unless prescribed by a doctor.
6. Clean surfaces with disinfectants based on chlorine or alcohol.
7. Use a mask only if you suspect to be ill or if you look after someone who is ill.
8. Products made in China and parcels from China are not dangerous.
9. Pets don't spread the new coronavirus.
10. If you have fever or cough or are back from China for less than 14 days, call the free number 1500 (only in Lombardy also 800894545).
